~ Six to Go! ~

Up and at 'em, Oncelings! News continues to circulate around the fandom, and, as always, we are right on top of it! It is with high hopes that we expect an influx of updates to come in soon, however, for lately the news, although still to be found in this and that corner of the boards, has been in rather short supply as of late. Nevertheless, what we do dig up we report on!

"Six to Go" is our title, and that's exactly how many bits of news and whatnot that we have to zoom in on. In this issue, we conduct a couple of interviews, highlight a new Lorax blog, give update on the ever-popular zombie AU, and more!! •

Tricks of the Trade

We've got all you "thneed" to stay updated!

New Blog

Whereas Once-ler ask blogs are always popping up, other such blogs, be them focusing on Audrey, the forest animals, O'Hare, and other characters, are, unfortunately, in short supply. This goes for the Lorax as well, but this doesn't mean that new ones don't pop up on occasion. Very recently, another Lorax blog, run by **Kindarbonkyrindarbonky**, popped up. Curious? Why not stop by and say hello! You can find him here:

Con Collective

There always seems to be a Con happening somewhere in the world. Ohayocon ran from January 18-20, and, most unsurprisingly, Once-ler fans did attend! If you know about a Con coming up and would like to organize a gathering, don't hesitate to spread the word! You never know who will show.

Fool Me Once...

Magic anons are no strangers to ask blogs. Lately, a "Trickster M!A" seems to be on the rampage. Blogs who are hit by this little bout of "magic" experience a sugar-high, feel particularly good about themselves, act crazy at times, and can even have the ability to fly!

Birds of a Feather

Sticking together is far more important than perhaps even the members of Camp Entre realize, especially now that the stakes have been raised even higher. After calling together a gathering, Swag and the rest of the team voted 72 (and, to an extent, Dave) as their new leader. 72 himself wasn't so thrilled at first, but with the support of the team, especially Ted and Swag, taking on such a daunting role may not be quite so difficult. In other news, it was made clear that a pit stop at a mall on the way to Thneedville would be necessary to restock on supplies, but what evil may lay in wait for them...?

~ Fandom Member Interviews ~

In this issue, we interview fandom member **Narcimallows**, as well as ask blog **Mermaid Once-ler**!

~ Narcimallows ~

Q. What got you into the fandom and why did you stay?

A. I actually joined the fandom before seeing the movie. There was a ton of Lorax stuff on my dashboard, and I was intrigued by the Once-ler. Something about his character arc absolutely fascinated me. I mean, I don't think I'd even READ *The Lorax* before then -- if I had, then I certainly don't remember anything about it. I've

stayed because of the awesome people here. I'd honestly be dead if it weren't for the friends I've made through this fandom, so I could never express how grateful I am that I've found this community.

Q. Which AU has been your favorite so far?

A. That's a REALLY hard question. Holy frick. I'd probably have to say the Truffula Flu AU, though. I absolutely adore the plotline, and I really appreciate all the hard work that Camp Entre's mods have put into telling the story. It's absolute-

ly amazing.

Q. If you were plunged into a zombie apocalypse, do you think you'd be able to survive?

A. As much as I'd like to think that I'd survive, I probably wouldn't. I'm slow, weak, and terrified of guns.

Q. If you could hang out with any character from *The Lorax* for a day, who would you choose and why?

A. I'd probably hang out with Audrey if I could! I can really...

(cont. on pg. 4)

Truffula Trivia!

Oh! Why, hello there! I suppose you're here for another trivia game, right? Try this one on for size. You'll even get your name featured in next week's paper if you're one of the first three to get it right! Ready?

In Ted's bedroom, there is a calendar hanging on his door. What month is it set to?

... relate to her in a lot of ways; I think she'd be somebody I could get along with easily.

### ~ Mermaid Once-ler ~

**Q. What do you like most about being a mermaid?**

**A.** Hm.... I would have to say swimming with other sea creatures! Especially cuttlefish! They're really friendly.

**Q. Do you ever wish that you could be a human and walk on land?**

**A.** Yeah, I was a human for a few days a long time ago. It was wonderful. I couldn't walk very well though, so that was frustrating. I can, however, be

on land for about sixteen hours. I get around using a wheelchair.

**Q. What's your favorite ocean delicacy?**

**A.** Crab cakes! They're made MUCH more different than they are here.

**Q. Got a favorite pass time?**

**A.** I would have to say talking to people. I'm kinda lonely being in the ocean all the time, so if I get the chance to interact I take it!

~ Thank you, **Narcimallows** and **Mermaid Once-ler**, for participating in this Q&A session! ~ •
